

3w+p GmbH

3w+p Typesetting Automation Experts is one of the leading typesetting service providers in Germany. Publishers such as Wiley, De Gruyter, C.H.BECK, and Bastei Lübbe have been working with the Franconian specialists for typesetting automation for decades. In addition to the cloud solution "Interactive Media Automator," with which publishers can automate their own production, the service portfolio also includes the full range of publishing production services.
