

Peak-14 GmbH

PEAK-14, based in Darmstadt, Germany, is part of the PEAK-Group and develops the Digital Asset Management System Cavok. PEAK-14 and the cavok partners will support you from the beginning of your project. Each partner is not only well trained, but also brings in special features, for example experience with editorial systems, with catalogue production or with special applications. Together with you, we analyse your needs and adapt cavok optimally to your company.
