

## Perfion

Perfion is the world's only 100% standard Product Information Management (PIM) solution for companies with a large number of product variants and parts and/or need for multi-channel, multi-language communication. With Perfion you get a single source of truth for product information which gives you full control of all product data from day one wherever it is applied (e.g. webshops, websites, supplier portals, smart phone apps, printed catalogues, fact sheets, social media, newsletters...).
